## OTHER INFORMATIONS:

We have the models in stock as standard.

## CARE AND STORAGE

Remove rough dirt by a suitable brush, wet cloth or eventually with a sponge and let them dry. It is also possible to use a spray designed for treating membrane footwear made of smooth leather.

Store the clean and treated boots in the dry ventilated environment.

## STANDARDS:

The footwear is tested according to EN 15090:2012.

EN 15090:2012

## F2A HI-3 P T A CI

HI-3	Insulation against heat
P	Resistance to puncture
T	Impact resistance
A	Antistatic footwear
CI	Insulation against cold
