OTHER INFORMATIONS:

- High resistance to mechanical risks in the palm and back.
- Above-average mechanical resistance in the middle finger.
- Breathability, sensitivity and flexibility.
- Excellent grip and sensitivity thanks to the special construction of the extended fingertips.
- Reflective element on the back of the glove.
- Comfortable - flexible - anatomically shaped cut including the thumb.
- The wrist part is tightened with an elastic band.
- Loop on the cuff for easier donning of gloves and for hanging on a carabiner.

CARE AND STORAGE

- Remove excess dirt after every use.
- Before washing fasten the velcro and remove the carabiners.
- Use liquid detergent.
- Wash gloves at the short program.
- To make the glove fit better: After washing and during drying shape the glove several times.
- Do not dry in direct sunlight, or on heat sources, do not use the dryer.
- Store the gloves in dry conditions.

60°C
