

PENELOPE PLUS

A very popular model among rescue gloves. Comfortable handling, mouldability and joint protection - these are the main features that play a primary role in the selection.

PENELOPE Plus 6517
Lime green

UPPER MATERIAL:

- Back: Elastic textile.
- Palm: Goatskin leather with hydrophobic treatment.

REINFORCEMENT:

- Leather reinforcement – protection of the back of the hand including fingers.
- TPR reinforcement - protection of the back of the fingers.
- Digital leather reinforcement on the fingertips.
- Elastic knitting – Kevlar® fiber PA with FR coating – reinforcement in between the thumb and the index finger overlapping the side seams – high cut and abrasion resistance, longer lifespan of the glove.

LINING:

- Palm: Knitted lining made of Kevlar® fiber/PES/ fiberglass- extra cut resistance.

CUFFS:

- Elastic wristband made of neoprene with velcro fastening.
